### Products highlights

Introduce your little one to the goodness of fruits and veggies with GERBER Organic Purée, Banana Squash, Baby Food (128 ml). Let's face it – nothing is ever 100% mess proof. That's why we've put our proprietary Smart Flow™ spout on all our GERBER Organic pouches. The Smart Flow™ spout helps get more food on that little spoon and less everywhere else, so mealtime should become a more nutritious,

less messy experience. It also gives toddlers big control when they're learning to self-feed\*. Less mess and more nutrition? That's a win for everyone. \*For younger babies (6+ months), squeeze puree directly onto a spoon. Toddlers (12+ months) may consume the puree directly from the pouch.

Plus, all our pouches are now in transparent packaging, so you can see the nutrition inside. All of our recipes are lovingly made using carefully selected ingredients, with over 100 GERBER quality checks, guaranteeing that they'll be loved by tiny taste buds.
