Features & Benefits

- Lactose-free and easy to digest* for babies who are avoiding cow's milk or milk products. Regular soy beverages are not appropriate for infants under 2 years of age
- With DHA, an Omega 3 fat that contributes to your baby's normal physical brain and eye development
- Kosher & halal
- Recyclable packaging
- Non-GMO***

*Like all infant formulas.

**Galactosemia and hereditary lactase deficiency are rare conditions in which a baby cannot tolerate lactose. These conditions are typically diagnosed within days of birth. If you feel that your baby is experiencing feeding difficulties please consult with a healthcare expert before making a feeding change

***Ingredients not genetically engineered.

Products highlights

Soy-based, lactose-free formula for baby. Pediatricians' #1 Choice for Easiest Formula on Baby's

Tummy! ** GOOD START ALSOY Powder Baby Formula (730 g) is designed for babies who are avoiding cow's milk or milk products. Dairy-free, plant based and easy to digest*, GOOD START ALSOY also contains expert recommended levels of DHA, an Omega 3 fat that contributes to your baby's normal physical brain & eye development.

Soy-based infant formulas are indicated only for babies who cannot consume dairy for cultural or religious reasons, and babies with galactosemia or hereditary lactose deficiency***. They are not recommended for babies with cow's milk protein allergy or sensitivity.

This non-GMO**** baby formula is designed for babies from birth (0 months) and older, and comes in recyclable packaging.

Breast milk provides the optimal nutrition for baby.

*Like all infant formulas.

**More pediatricians trust GOOD START as the most well-tolerated routine infant formula than any other brand. Data on file.

***Galactosemia and hereditary lactase deficiency are rare conditions in which a baby cannot tolerate lactose. These conditions are typically diagnosed within days of birth. If you feel that your baby is experiencing feeding difficulties please consult with a healthcare expert before making a feeding change.

****Ingredients not genetically engineered.
