We have updated our GERBER cereals packaging to match the rest of our Gerber family products. As part of our on-going commitment to provide the best nutrition for your growing little one, we have made changes to our cereal recipes, which is reflected in the Nutrition Facts Table and Ingredient List. Some of the changes include a reduction in sugar* and the removal of palm olein. As a result, you might notice our textures of the new cereals are different as we have adjusted our preparation instructions to suggest adding more or less water to get the perfect texture for your baby.
