Products highlights

Our closest liquid formula to breast milk. Pediatricians #1 Choice for Easiest Formula on Baby's Tummy!* GOOD START PLUS 1 Ready-to-Feed Baby Formula is designed with baby's comfort in mind. Tummy friendly and easy to digest**, only GOOD START formulas have COMFORT PROTEINS, which are 100% whey proteins that are partially broken down using our unique process for small tummies. GOOD START PLUS 1 Ready-to-Feed Baby Formula also contains expert recommended levels of DHA, an Omega 3 fat, which contributes to your baby's normal physical brain and eye development, and galactooligosaccharides, a baby-friendly fibre. Our ready-to-feed formulas are convenient and easy-to-use. No water, no measuring, and no mixing – just shake well, open, and pour into a sterilized bottle. This non-GMO*** baby formula is designed for babies from birth (0 months), and older and comes in recyclable packaging.

*More pediatricians trust GOOD START as the most well-tolerated routine infant formula than any other brand. Data on file.

**Like all infant formulas.
