GOOD START with PRO-Blend Concentrated Liquid (12x359 ml) is a non-GMO* stage 2 baby formula designed for babies from 6 - 12 months of age, with added calcium and iron to complement your growing baby's expanding diet. PRO-Blend, found in GOOD START with PRO-Blend, is a combination of DHA (an Omega 3 fat), which supports baby's normal physical brain and eye development, and small proteins for small tummies.

GOOD START with PRO-Blend Stage 2 Concentrated Liquid baby formula comes in an easy-to-open TETRA PAK® carton for added convenience, plus it's easy-to-use – just add water as directed and shake well.

Features & Benefits

- Contains DHA, an Omega 3 fat, which supports baby's normal physical brain and eye development.
- Designed for your little one with small proteins for small tummies.
- GOOD START with PRO-Blend Stage 2 has added calcium and iron to complement your growing baby's expanding diet.
- GOOD START baby formula is non-GMO*.
- TETRA PAK® packaging used for GOOD START with PRO-Blend Concentrated Liquid baby formula is made without the use of BPA.

- GOOD START baby formula is easy to digest**.
- Over 150 years of trusted nutrition expertise.

* Ingredients not genetically engineered.

**Like all infant formulas.
