### Products highlights

Our closest liquid formula to breast milk. Pediatricians #1 Choice for Easiest Formula on Baby's Tummy!\* GOOD START PLUS 1 Ready-to-Feed Baby Formula is designed with baby's comfort in mind. Tummy friendly and easy to digest\*\*, only GOOD START formulas have COMFORT PROTEINS, which are 100% whey proteins that are partially broken down using our unique process for small tummies. GOOD START PLUS 1 Ready-to-Feed Baby Formula also contains expert recommended levels of DHA, an Omega 3 fat, which contributes to your baby's normal physical brain and eye development, and galactooligosaccharides, a baby-friendly fibre. Comes in pre-filled, recyclable, 89 ml glass bottles. Just shake well, remove the cap, twist on a sterilized standard size nipple and ring, and it's ready to go. The 20-pack case contains 2.5x more formula than our 8 bottle pack, plus it comes with a bonus nipple – everything you need to conveniently feed your baby. For 8-pack case, size compatible [GOOD START NIPPLES & RINGS](#) [1] packs are available for purchase separately. This non-GMO\*\*\* baby formula is designed for babies from birth (0 months) and older, and comes in recyclable packaging.

\*More Pediatricians trust GOOD START as the most well-tolerated routine infant formula than any other brand. Data on file.

\*\*Like all infant formulas.

\*\*\*Ingredients not genetically engineered.
